River North. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.4in. x 5.5in. x 0.9in. Julianne used to believe in fairy tales; shes been watching for Prince Charming to come charging in on his white steed ever since the day her mother read her Cinderella for the first time. But shes never come close to finding the perfect man-instead shes always tripping over her childhood best friend, Will. And who finds their Prince Charming on a 10-speed bicycle on the other side of the cul de sac Well. . . Julianne does. Only she doesnt have a clue. She and Will are attorneys now, and theyve joined up in private practice in a beautiful Cincinnati office building that overlooks the Ohio River. And then one day Julianne is on her way to court, and runs right smack dab into Prince Charming. But when she looks again, all she finds is a metaphoric sign she is certain came straight from Heaven: The Princes toolbox has fallen off the back of his truck, and a work boot along with it. What better way for God to grab the attention of a Cinderella-in-training than to show her a glass slipper. . . errrr, work boot. . . waiting to be reunited with its owner So she sets out to track down the mysterious Prince Charming. Hes the most gorgeous guy shes ever seen. . . and a caring animal rescuer, too. Surely he must be the soul mate God has prepared her for. But, Juliannes prince is starting to look less and less charming all the time. No matter how she tries to romanticize him, he just keeps tumbling down off that dumb pedestal. And with the Bar Association dinner coming up that will honor her for her outstanding charity work over the year, Julianne...
