ARMY TECHNIQUES PUBLICATION ATP 4-42 (FM 10-27 / FM 42-414) GENERAL SUPPLY AND FIELD SERVICES OPERATIONS JULY 2014

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This publication, Army Techniques Publication ATP 4-42 General Supply and Field Services Operations July 2014, 4-42 provides logisticians and field commanders an understanding of general supply and selected field services functional principles, organizations, and associated guidance. It provides basic doctrinal discussion on the organization and operations of Quartermaster general supply and field services units. The focus of Army techniques publication (ATP) 4-42 is operational and tactical level general supply and field services operations which are conducted in support of Army forces in a deployed environment. It discusses these functions through the various support levels of multi-functional and Quartermaster logistics units. From a supporting commander s perspective, it provides information on the functions of general supplies and field services to allow that commander to understand better how to execute support to the force. From a supported commander s perspective, it provides information on the types of support available in order to allow proper planning. This ATP incorporates modular unit capabilities, designs and concepts, plus updated terminology in accordance with ADP/ADRP 3-0 and other commensurate doctrine. The net effect was to reduce the manual from approximately 300 pages down to approximately 60 pages. The significant reduction in the various types of units between Army of Excellence and modular forces contributed the most to size reduction. Additionally, material that was repeated in/from other manuals was eliminated to comply with Doctrine 2015 content requirements. ATP 4-42 contains seven chapters: Chapter 1 discusses the overall concept of support and describes the general supply and field services operational overviews. Chapter 2 focuses on the roles and missions of strategic partners, joint and multinational support, executive agency and proponentcy, the general supply and field services...
