

Indian-Made: Navajo Culture in the Marketplace, 1868-1940

Filesize: 4.91 MB

Reviews

This written book is excellent. It typically is not going to price a lot of. I found out this book from my dad and i encouraged this book to discover.

(Darrin Abbott)

INDIAN-MADE: NAVAJO CULTURE IN THE MARKETPLACE, 1868-1940

DOWNLOAD

University Press of Kansas. Paperback. Book Condition: new. BRAND NEW, Indian-Made: Navajo Culture in the Marketplace, 1868-1940, Erika Marie Bsumek, In works of silver and wool, the Navajos have established a unique brand of American craft. And when their artisans were integrated into the American economy during the late nineteenth century, they became part of a complex cultural and economic framework in which their handmade crafts conveyed meanings beyond simple adornment. As Anglo tourists discovered these crafts, the Navajo weavings and jewelry gained appeal from the romanticised notion that their producers were part of a primitive group whose traditions were destined to vanish. Erika Bsumek now explores the complex links between Indian identity and the emergence of tourism in the Southwest to reveal how production, distribution, and consumption became interdependent concepts shaped by the forces of consumerism, race relations, and federal policy. Bsumek unravels the layers of meaning that surround the branding of "Indian made." When Navajo artisans produced their goods, collaborating traders, tourist industry personnel, and even ethnologists created a vision of Navajo culture that had little to do with Navajos themselves. And as Anglos consumed Navajo crafts, they also consumed the romantic notion of Navajos as "primitives" perpetuated by the marketplace. These processes of production and consumption reinforced each other, creating a symbiotic relationship and influencing both mutual Anglo-Navajo perceptions and the ways in which Navajos participated in the modern marketplace. Examining varied sites of production--artisans' workshops, museums, trading posts--Bsumek shows how the market economy perpetuated "Navaho" stereotypes and cultural assumptions. She takes readers into the hogans where men worked silver and women wove rugs and into the outlets where middlemen dictated what buyers wanted and where Navajos influenced inventory. Exploring this process over seven decades, she describes how artisans' increasing use of modern tools created controversy about...
