THE Voice Dialogue Anthology: Explorations of the Psychology of Selves and the Aware Ego Process

By Sidra Levi Stone, Hal Stone

DELOS, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Hal and Sidra Stone, the originators of Voice Dialogue, comment on the Voice Dialogue Anthology: We feel a sense of deep satisfaction as we look through the articles that are included in this Voice Dialogue Anthology. For us, it represents the flowering of a garden that was planted many years ago and has come into full maturity, a garden that gives food for the mind, the body, and the soul. It is truly a time to enjoy what has grown up around us. Each of the twenty contributors (see below) has taken our work and built upon it - some working exclusively with the basic teachings and others combining it with other modalities or carrying it into entirely new fields - and each has created something new and wonderful. We feel privileged to have been a part of their journeys and honored that our work has contributed to their own work and lives. Dassie Hoffman has given a truly remarkable gift to the international Voice Dialogue community by creating this valuable collection of reference material.
