Constitutional Facial Acupuncture is a safe, painless and effective treatment for renewing the face and the body. Fine lines may be entirely erased, deep lines reduced and bags around the neck and eyes firmed. This protocol is based upon the use of acu-muscle points and Wakefield explains in detail how to use these specially selected acupuncture points in tandem with muscle structure. The constitutional underpins this approach to facial acupuncture needling - every patient is treated according to their specific constitutional pattern. Facial acupuncture differs from cosmetic acupuncture in this way. According to Chinese physiognomy, the shape of the face, its colouration and its wrinkles are representative of the balance or imbalance of the organ systems and the emotional core of the patient. Fine needles are placed at a variety of acupuncture points on the face, neck and around the eyes to simulate the body's natural energies (qi). Since muscle groups are addressed as well as acupuncture points, the face lifts itself, via the acupuncture points, through the muscles toning and tightening action. The needles also stimulate blood and circulation, improving facial colour. The book will introduce a complete facial and recommended constitutional treatment protocol including needling instructions, charts and photos that will clarify the details of the treatments. This is a full topical Chinese herbal treatment for the face that can be integrated with facial needling to achieve...
